A copy of the minutes of the meeting of November 17, 2016, was distributed to the Board Members prior to this meeting. It is therefore recommended that consideration be given to the adoption of the following Resolution:

RESOLVED That the minutes of the PHEFA meeting of November 17, 2016, be and hereby are approved as presented.

Upon **MOTION** by **Ms. Pike-Nase**, and **SECONDED** by **Mr. Helling**, and after full discussion, the above Resolution was unanimously approved at the PHEFA Board Meeting of December 8, 2016.

3. APPROVAL OF PROJECTS

A. Resolution Authorizing the Authority to Amend the Trust Indenture for the Foundation for Indiana University of Pennsylvania

Mr. Baccon explained that at the November 17th meeting a Resolution was presented to amend the Trust Indenture for the Foundation for Indiana University of Pennsylvania, which the board tabled.

As requested, members were emailed a copy of the amendment last week.

To provide some background, two student housing facilities were built on the campus of Indiana University of Pennsylvania, one in 2006 & one in 2007. Both facilities are secured by the same mortgage, meaning the holders of the 2007 Bonds could rely on revenue from the 2006 Facilities as part of its security.

The Foundation plans to refund the 2006 bonds, release the Phase I Facilities from the mortgage and transfer the Phase I Facilities to Residential Revival Indiana, a Pennsylvania non-profit corporation. To finance its acquisition of the Phase I Facilities, Residential Revival Indiana will issue new bonds through a local industrial development authority under a separate trust indenture. As a result of the redemption of the 2006 Bonds, the holders of the 2007 Bonds will no longer be able to rely on the revenues from the Phase I Facilities as security for repayment of the 2007 Bonds. To help remedy this, Residential Revival Indiana has agreed to collaterally assign to U.S. Bank, as 2007 Trustee, certain moneys accrued from the operation of the Phase I Facilities. This will continue to provide 2007 bond holders additional security.

The Resolution in your agenda provides all of the actions necessary to approve the amendment.

Andrew Maher, Esquire of Cohen & Grigsby is on the phone to answer any questions board members may have.

Chairperson Heuer asked if board members had any questions or comments, and hearing none, he asked for a motion to approve the resolution.

**RESOLUTION OF THE
PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY
AUTHORIZING
INDENTURE AMENDMENT**

DOCKET NO. 550

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Pennsylvania Higher Educational Facilities Authority (the "Authority") has previously issued two series of bonds, one in 2006 (the "2006 Bonds") and another in 2007 (the "2007 Bonds") on behalf of The Foundation for Indiana University of Pennsylvania (the "Foundation") issued pursuant to and secure by a Trust Indenture dated as of May 1, 2006 (the "Original Indenture") as amended and supplemented by a First Supplemental Trust Indenture dated as of May 1, 2007 (the "First Supplemental Indenture" and, together with the Original Indenture, the "Indenture") between the Authority and U.S. Bank National Association, as Trustee.

2. The Foundation has determined to redeem the 2006 Bonds and has requested that the Authority amend the Indenture (the "Amendment") to permit inclusion of certain collateral in the Trust Estate to protect the security granted to the holders of the 2007 Bonds thereunder.

3. The Authority does hereby authorize the execution and delivery of the following documents: (a) the Amendment; and (b) any other document to which the Authority is a party and which may be deemed necessary to facilitate execution and delivery of the Amendment; all in such form as shall be acceptable to Bond Counsel, the Attorney General of the Commonwealth, the Office of General Counsel and Authority Counsel and as shall be approved by the Executive Director of the Authority.

4. The President, the Vice President, the Executive Director of the Authority, and each of them is hereby authorized to execute, acknowledge and deliver in the name and on behalf of the Authority, and the Secretary or Assistant Secretary and each of them, is hereby authorized to attest and affix the official seal of the Authority to each of the aforesaid documents. The execution of the aforesaid documents as hereinabove authorized shall be deemed to conclusively evidence the approval of the Authority of said documents.

5. The appropriate officers of the Authority are hereby authorized to take such further action and to execute and deliver in the name and on behalf of the Authority any and all other documents and certificates, in addition to those specified above, as they shall deem necessary or advisable in connection with the implementation of this Resolution.

6. This Resolution shall take effect immediately upon its adoption, and all prior resolutions or parts thereof inconsistent herewith are hereby repealed to the extent of such inconsistencies.

Upon **MOTION** by **Ms. Pike-Nase**, and **SECONDED** by **Ms. Langan**, and after full discussion, the above Resolution was unanimously approved at the PHEFA Board Meeting of December 8, 2016.

3. APPROVAL OF PROJECTS (CONTINUED)

B. Resolution Authorizing the Undertaking of a Project on Behalf of the Trustees of the University of Pennsylvania

Mr. Baccon explained that the Trustees of the University of Pennsylvania have requested that we issue a maximum of \$200,000,000 in Revenue Bonds to finance a portion of the projects in the University's capital budget, which may include acquisition, construction, renovation and equipping of the Perry World House and New College House at Hill Square, construction of the Stephen A. Levin Building, construction of the Perelman Center for Political Science and Economics, and the payment of capitalized interest on the Bonds.

Morgan Stanley & Co. is the lead underwriter and the Bank of New York Mellon is the Trustee for the Bonds. At the request of the University, the Office of General Counsel has appointed Ballard Spahr as Bond Counsel.

The Resolution in your agenda approves all of the actions necessary in connection with the issuance of the Bonds.

Kevin Cunningham, Esquire, Ballard Spahr and Helen Kreider, Associate Treasurer of the University, are participating by phone to answer questions.

Chairperson Heuer asked if board members had any questions or comments.

Ms. Pike-Nase mentioned that this project is a little different because they are dealing with their capital budget and they are trying to use that for construction. She asked if there was assurance that the construction projects were going to be using prevailing wage, because she didn't notice anything in the agenda.

Mr. Baccon said that our experience with the University of Pennsylvania has always been that the projects they have done use prevailing wage.

Ms. Kreider confirmed that they would be paying prevailing wage.

Chairperson Heuer asked if board members had any other questions, and hearing none, he asked for a motion to approve the resolution.

**RESOLUTION OF THE
PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY
AUTHORIZING
THE UNDERTAKING OF A PROJECT ON BEHALF OF
THE TRUSTEES OF THE UNIVERSITY OF PENNSYLVANIA**

DOCKET NO. 668

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Pennsylvania Higher Educational Facilities Authority (the "Authority") shall undertake the financing of a project (the "Project") on behalf of The Trustees of the University of Pennsylvania (the "University") consisting of (i) the financing (including the reimbursement) of a portion of the projects in the University's capital budget, which may include (without limitation) acquisition, construction, renovation and equipping of the Perry World House and New College House at Hill Square, construction of the Stephen A. Levin Building and construction of the Perelman Center for Political Science and Economics, (ii) the payment of capitalized interest on the Bonds and (iii) the payment of costs of issuing the Bonds; provided, however, that the Executive Director of the Authority, at the request of the University, shall have the power to add, delete or substitute for any component of the Project but only to the extent permitted by The Pennsylvania Higher Educational Facilities Authority Act of 1967, as amended, and the Federal income tax laws from time to time in effect.

2. In order to finance the Project, the Authority will enter into one or more trust indentures and/or will enter into one or more supplements to the Indenture of Trust dated as of January 15, 1987 (collectively, the "Indenture") with The Bank of New York Mellon Trust Company, N.A., as successor trustee or with such other trustee (the "Trustee") as appointed by the University and approved by the Executive Director of the Authority, such approval to be evidenced by his or her execution of the Indenture pursuant to which the Authority shall issue up to \$200,000,000 (exclusive of original issue discount or premium) in aggregate principal amount of bonds in one or more series which may be tax-exempt or taxable and which may be issued on the same or different dates to be designated "Pennsylvania Higher Educational Facilities Authority The Trustees of the University of Pennsylvania Revenue Bonds" with an appropriate series designation (the "Bonds"). The Bonds shall have a term not to exceed 40 years and shall bear interest at fixed or variable rates acceptable to the University, shall mature in such principal amounts and at such times, and shall be subject to redemption all as approved by the Executive Director of the Authority in consultation with the University and further provided in the Bond Purchase Agreement (defined below).

3. If deemed advantageous by the University in connection with the issuance of one or more series of the Bonds, the proper officers of the Authority are hereby authorized to purchase or cause to be purchased, and the Trustee is hereby authorized to accept, a letter of credit or a similar instrument securing the payment, when due, of the principal and/or purchase price of and interest on such series of Bonds, and the Trustee is further authorized to accept a

liquidity facility, letter of credit or a similar instrument for the payment of the purchase price of one or more series of Bonds upon tender for purchase, if applicable.

4. In the event the University requests that the Bonds of any series bear a variable rate rather than a fixed rate of interest, the Executive Director of the Authority is hereby authorized to approve the initial interest rate to be borne by such Bonds and the variable interest rate calculation method to be used in determining interest due on the Bonds thereafter, and to appoint an indexing agent, market agent and/or remarketing agent and to take such other action as may be required in connection with a variable interest rate, or in connection with Bonds bearing interest at fixed interest rates, including the authorization of any remarketing agreement or credit facility agreement or similar agreement.

5. The Bonds shall be limited obligations of the Authority, payable only from payments made by the University under the Loan Agreement (defined below). The Bonds shall be issued in such denominations and form and with such terms as shall be set forth in the Indenture used in connection with the issuance of the Bonds and approved by the Executive Director of the Authority. The execution of the Bonds with the manual or facsimile signature of the President of the Authority together with the official seal or a facsimile of the official seal of the Authority and the attestation thereof by the manual or facsimile signature of the Executive Director, Secretary or Assistant Secretary of the Authority is hereby authorized. The Executive Director of the Authority is hereby authorized to deliver the Bonds to the Trustee under the Indenture for authentication, and to execute and deliver instructions to the Trustee to deliver the Bonds when so authenticated, on behalf of the Authority, to or upon the order of the purchaser thereof, against receipt of the purchase price together with any accrued interest, all in accordance with the requirements of the Indenture.

6. The proceeds from the sale of the Bonds shall be loaned to the University pursuant to the terms of one or more loan agreements and/or pursuant to one or more supplements to the loan agreement between the Authority and the University dated as of January 15, 1987 (collectively the "Loan Agreement"), and shall be applied by the University for and toward the costs of the Project including (a) the payment of all or a portion of the costs of issuance of the Bonds, including without limitation, printing and reproduction costs, fees and expenses of bond counsel, underwriters' counsel and the underwriters, fees and expenses of the Trustee, and administrative costs and expenses of the University and the Authority, all upon submission of the proper documentation thereof; and (b) the funding of funds established under the Indenture.

7. The President, any Vice President, or the Executive Director is hereby authorized on behalf of the Authority to negotiate with the underwriters, hereinafter appointed, for an acceptable proposal, for the purchase or placement of any series of the Bonds issued hereunder, to enter into one or more purchase agreements or placement agreements (collectively, the "Bond Purchase Agreement") for such purpose in accordance with the terms of this Resolution and the President, any Vice President, the Secretary or any Assistant Secretary, or the Executive Director of the Authority is hereby authorized to execute and deliver the particular Bond Purchase Agreement on behalf of the Authority and to take such further action as he or she deems necessary or advisable to carry out the obligations of the Authority thereunder.

8. The Authority does hereby authorize the execution and delivery of the following documents relating to the issuance of Bonds of any series authorized hereunder and the financing of the Project: the Indenture, the Loan Agreement, any remarketing agreement, market agent agreement and/or indexing agent agreement or other agreement or instrument described in this Resolution; and any other document to which the Authority is a party and which is required and useful in connection with the financing of the Project; all in such form as shall be acceptable to bond counsel, the Attorney General of the Commonwealth, the Office of General Counsel, and Authority counsel and as shall be approved by the Executive Director of the Authority.

9. The President, the Vice President or the Executive Director of the Authority, and each of them is hereby authorized to execute, acknowledge and deliver in the name and on behalf of the Authority, and the Secretary or Assistant Secretary and each of them is hereby authorized to attest and affix the official seal of the Authority to each of the aforesaid documents. The execution of the aforesaid documents as hereinabove authorized shall be deemed to conclusively evidence the approval of the Authority of said documents.

10. Any preliminary official statement and/or final official statement which may be used in connection with the offer and sale of the Bonds shall be in such form as shall be approved, solely for the purpose of distribution, by the Executive Director of the Authority with the advice of bond counsel. The Executive Director of the Authority is hereby authorized to execute one or more preliminary official statements and/or final official statements in the name and on behalf of the Authority, and such execution by the Executive Director of the Authority shall constitute conclusive evidence of the Authority's approval of such documents solely for the purpose of distribution. The circulation and distribution of copies of any such documents in connection with the offer and sale of the Bonds is hereby authorized.

11. The underwriters or purchasers of the Bonds shall be appointed by the University and approved by the Executive Director of the Authority, such approval to be evidenced by his or her execution of the Bond Purchase Agreement. Any underwriter or purchaser so appointed and approved shall be authorized to act as the underwriter or purchaser of the Bonds. The Office of General Counsel has appointed Ballard Spahr as Bond Counsel. The Executive Director of the Authority is hereby authorized to approve upon the recommendation of the University, additional professionals for the Bonds, including a tender agent or agents, indexing agent, market agent and/or remarketing agent, if necessary.

12. The appropriate officers of the Authority are hereby authorized to take such further action and to execute and deliver in the name and on behalf of the Authority any and all other documents and certificates, in addition to those specified above, as they shall deem necessary or advisable in connection with the issuance of the Bonds and the implementation of these Resolutions.

13. The Trustee shall be, by virtue of this Resolution and without further authorization from the Authority, authorized, directed and requested to invest and reinvest all moneys available therefor pursuant to the Indenture, which by the terms of such Indenture may be invested, or to deposit and redeposit such moneys in such accounts as may be permitted by the Indenture, all subject to the terms and limitations contained in the Indenture.

14. The appropriate officers of the Authority are, and each of them is, hereby authorized to execute and deliver in the name and on behalf of the Authority such other documents and to take such other action as they shall deem necessary in order to effectuate the financing of the Project, the execution, delivery and receipt of the Indenture, the Loan Agreement and the Bond Purchase Agreement, the distribution of one or more preliminary official statements and/or final official statements and the issuance and sale of the Bonds, all in accordance with these Resolutions.

15. The appropriate officers of the Authority, including the President, any Vice President and the Executive Director are, and each of them is, hereby authorized to approve, and to execute and deliver any supplement, amendment or agreement (an "Amendment") providing for any amendment or other change to any trust indenture, loan agreement, bond, instrument or other document executed and delivered with respect to the Bonds (collectively, the "Bond Documents") requested by the University and approved by all other necessary parties, provided that (a) the officer executing the Amendment shall have determined that the Amendment will not adversely affect the Authority, such determination to be conclusively evidenced by such officer's execution of the Amendment and (b) the Authority shall have received an opinion of counsel in form and substance satisfactory to the Authority that (i) the Amendment is permitted under the Pennsylvania Higher Educational Facilities Authority Act of 1967, as amended, and the Bond Documents, and (ii) the Amendment will not adversely affect the excludability from gross income of interest on the Bonds for purposes of federal income taxation.

16. This Resolution shall take effect immediately upon its adoption, and all prior resolutions or parts thereof inconsistent herewith are hereby repealed to the extent of such inconsistencies.

Upon **MOTION** by **Ms. Pike-Nase**, and **SECONDED** by **Mr. Helling**, and after full discussion, the above Resolution was unanimously approved at the PHEFA Board Meeting of December 8, 2016.
