Independent Auditor's Report

**The Board of Directors
Pennsylvania Higher
Educational
Facilities Authority**

Authority's basic financial statements as listed in the table of contents.

We have audited the accompanying financial statements of the Pennsylvania Higher Educational Facilities Authority (Authority), a component unit of the Commonwealth of Pennsylvania, as of and for the years ended June 30, 2019 and 2018, and the related notes to the financial statements, which collectively comprise the

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Authority as of June 30, 2019 and 2018, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages i through iv be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2019

This discussion and analysis of the financial performance of the Pennsylvania Higher Educational Facilities Authority (Authority) is supplementary information required by the Governmental Accounting Standards Board. It introduces the basic financial statements and provides an analytical overview of the Authority's financial activities. Read it in conjunction with the financial statements that follow this discussion.

The Authority is a public corporation and a public instrumentality of the Commonwealth of Pennsylvania, created by the Act of December 6, 1967 (P.L. 678, No. 318), known as the Pennsylvania Higher Educational Facilities Authority Act (24 P.S. § 5501 *et seq.*), to provide a source of tax-exempt financing for colleges and universities. The Authority is governed by a nine-member body composed of the Governor, State Treasurer, Auditor General, Secretary of Education, Secretary of General Services, President Pro Tempore of the Senate, Speaker of the House of Representatives, Minority Leader of the Senate, and Minority Leader of the House of Representatives. The Authority finances projects through the issuance of bonds, the principal and the interest of which are paid by the annual lease/loan payments collected from colleges and universities. The Authority has no general liability with respect to these obligations and has no beneficial interest in the related assets held by trustees. Acting solely in an agency capacity, the Authority serves as a financing conduit, bringing the ultimate borrower and the ultimate lender together.

The Authority does not receive an appropriation from the Commonwealth of Pennsylvania and is funded from administrative fees charged to participating colleges and universities. Administrative fees collected by the Authority are remitted to the State Public School Building Authority's (SPSBA) Administrative Fund in exchange for all management and administrative services and operating expenses. The management and the board members are identical for both the Authority and SPSBA.

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2019

The following table summarizes the financial position and results of operations of the Authority as of and for the years ended June 30, 2019, 2018, and 2017:

	2019	2018	2017
Assets:			
Total assets	\$ 14,594	\$ -	\$ -
Liabilities:			
Total liabilities	14,594	-	-
Net position:			
Total net position	\$ -	\$ -	\$ -
Operating revenues:			
Administrative fees	\$ 1,039,413	\$ 1,040,973	\$ 1,122,648
Total operating revenues	1,039,413	1,040,973	1,122,648
Operating expenses:			
SPSBA management fee	1,039,413	1,040,973	1,122,648
Total operating expenses	1,039,413	1,040,973	1,122,648
Change in net position	-	-	-
Total net position - beginning of year	-	-	-
Total net position - end of year	\$ -	\$ -	\$ -

Overview of the Financial Statements

The three basic statements presented within the financial statements are as follows:

- Statement of Net Position – This statement presents information reflecting the Authority's assets, liabilities, and net position. Net position represents the amount of total assets less total liabilities. The statement of net position is categorized as to current and noncurrent assets and liabilities. For purposes of the financial statements, current

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2019

assets and liabilities are those assets and liabilities with immediate liquidity or which are collectible or becoming due within one year of the statement date.

- Statement of Revenues, Expenses, and Changes in Fund Net Position – This statement reflects the operating revenues and expenses, as well as nonoperating revenues and expenses during the operating year. Operating revenue is generated from administrative fees charged to colleges and universities. Operating expenses are the payment of the SPSBA management fee. The change in net position for an enterprise fund is similar to net profit or loss for any other business enterprise.
- Statement of Cash Flows – The statement of cash flows is presented on the direct method of reporting, which reflects cash flows from operating, financing, and investing activities. Cash collections and payments are reflected in this statement to arrive at the net increase or decrease in cash for the fiscal year.

Program Description and Highlights

The Authority provides services to borrowers including assistance with preparation of documents prior to issuing bonds; and computation, compliance, and reporting assistance for federal arbitrage regulations. The colleges and universities are assessed an annual fee to cover administrative costs of the Authority.

Program highlights for the year ended June 30, 2019 include the following:

- Issued three financings on behalf of higher education institutions totaling \$448,780,000. The bond proceeds were used by the institutions to construct and acquire new facilities; renovate existing buildings; purchase equipment; and refund prior bond issues.
- Operating revenues decreased by \$1,560 or 0.15% and were only slightly lower as the rate of refunding slowed.

Program highlights for the year ended June 30, 2018 include the following:

- Issued three financings on behalf of higher education institutions totaling \$652,280,000. The bond proceeds were used by the institutions to construct and acquire new facilities; renovate existing buildings; purchase equipment; and refund prior bond issues.

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2019

- Operating revenues declined by \$81,675 or 7.3% due to refunding of Authority bonds by local authorities.

Debt Administration

As of June 30, 2019, the Authority had approximately \$5.78 billion of conduit debt outstanding (nonrecourse debt to the Authority that is repaid solely from revenue derived from the related facilities acquired). This is a decrease of approximately \$102 million from June 30, 2018. The outstanding conduit debt is not recorded in the Authority's financial statements. A schedule of conduit debt outstanding is included in Note 3 to the financial statements. The Authority has no outstanding debt financing for its operation.

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2019 AND 2018

1. Summary of Significant Accounting Policies

The Pennsylvania Higher Educational Facilities Authority (Authority) is a public corporation and a public instrumentality of the Commonwealth of Pennsylvania (Commonwealth), created by the Act of December 6, 1967 (P.L. 678, No. 318), known as the Pennsylvania Higher Educational Facilities Authority Act (24 P.S. § 5501 *et seq.*), to provide a source of tax-exempt financing for colleges and universities. The Authority is governed by a nine-member Board of Directors (Board). The entity acts as a financing authority created for the purpose of constructing and improving higher educational institutions. The Authority finances projects through the issuance of bonds, the principal and interest of which are paid by the annual lease/loan payments collected from the higher educational institutions.

(a) Reporting Entity

The Authority is a component unit of the Commonwealth. Criteria considered in making this determination include the Commonwealth's appointment of the Authority's Board pursuant to statute and the Commonwealth's ability to impose its will on the Authority.

(b) Basis of Presentation and Accounting

The Authority follows the accounting and financial reporting standards issued by the Governmental Accounting Standards Board (GASB). The Authority is accounted for as an enterprise fund and, accordingly, utilizes the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded at the time liabilities are incurred. The fund is used to account for the revenues and expenses of the Authority's operations.

Enterprise funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with an enterprise fund's principal ongoing operations. The principal operating revenues of the enterprise fund are administrative fees collected by the Authority, and the principal operating expenses of the enterprise fund are the payment of the administrative fees to the State Public School Building Authority's (SPSBA) Administrative Fund.

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2019 AND 2018

(c) Administrative Fees

The Authority recognizes administrative fees received from the higher educational institutions as revenue as of the periodic billing date.

(d) Conduit Debt Obligations

The Authority issues taxable and tax-exempt instruments (bonds, notes, or other obligations), which do not constitute a debt of the Authority or the Commonwealth. These debt instruments are limited obligations of the Authority, payable solely from payments made by the related borrowing institutions and related assets held by trustees. The Authority has no general liability with respect to these obligations and has no beneficial interest in the related assets held by trustees. Acting solely in an agency capacity, the Authority serves as a financing conduit, bringing the ultimate borrower and the ultimate lender together. The Authority has elected to exclude these obligations and the related assets held by trustees from the financial statements. The Authority has disclosed the outstanding balance in Note 3.

(e) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported and disclosures. Actual results could differ from those estimates.

(f) Pending Change in Accounting Principles

In May of 2019, the GASB issued Statement No. 91, "Conduit Debt Obligations." This Statement improves financial reporting by eliminating the existing option for issuers to report conduit debt obligations as their own liabilities, thereby ending significant diversity in practice. The provisions of GASB Statement No. 91 are effective for the Authority's June 30, 2022 financial statements.

The effects of this Statement have not yet been determined.

PENNSYLVANIA HIGHER EDUCATIONAL FACILITIES AUTHORITY

(A Component Unit of the Commonwealth of Pennsylvania)

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2019 AND 2018

2. Related Party Transactions - Administration Fees Paid to the State Public School Building Authority

The Administrative Fund of SPSBA provides for its own operation and the operation of the Authority. Administration fees collected by the Authority are deposited directly into SPSBA's Administrative Fund in exchange for all management and administrative services received and operating expenses paid by SPSBA. During the years ended June 30, 2019 and 2018, the amounts expensed by the Authority were \$1,039,413 and \$1,040,973, respectively. The management and the board members are identical for both the Authority and SPSBA.

3. Conduit Debt Obligations

As discussed in Note 1, the following 87 non-course bond issues with an aggregate principal of \$5,783,483,804 were outstanding at June 30, 2019:
